ABOUT THE STATE.

Items of Interest Gleaned From Our Exchanges.

For shooting a doe which he mistook for a buck deer, Elmer H. Brownson of Arlington will have to pay the county \$100 and costs. Brownson shot the animal on Red Mountain, near the Sunderland town line, on Friday, October 25.

It is reported from Barnard that the young son of Edward Putnam, who weighs less than 80 pounds, after leaving school the other evening went into the woods with his rifle and brought down a six year old buck weighing 240 pounds.

D. G. Field being chosen caterer. Among the women present were Mrs. Etta la Page of Barre, president, and Mrs. William Beach of Charlotte, secretary of the auxiliary.

A report has been in circulation for the past few days in parts of Burlington to the effect that Emile LaFontaine, who disappeared from the city, October 23, has gone to visit relatives. Many of the missing man's friends and neighbors have made inquiries at different places where Mr. LaFontaine might have gone, but no trace of him has yet been discovered. The only reason for his disappearance is said to be that he was unsuccessful in certain business ventures and became discouraged.

Col. LeGrand Bouton Cannon of Burlington passed his 89th birthday anniversary Tuesday, having been born in Troy, N. Y., November 1, 1815. For forty-five years he has occupied "Overlake," the beautiful home on South Prospect street which he built in 1857-59, and in which he still delights to pass the greater part of the year. He enters upon his 90th year in full possession of the mental powers that have distinguished him in military and civil life and retains enough of physical vigor to enable him to drive out daily and to enjoy much of the good things of life. His interest in affairs remains unimpaired.

The toll bridge between Bellows Falls on the Vermont side and Walpole on the New Hampshire side is now a free bridge. The sum of \$20,000 has been paid W. A. Russell of Boston, the owner of the bridge, one-third by the town of Rockingham, the town in which Bellows Falls is situated, and two-thirds by the town of Walpole. The charter for this bridge was granted 119 years ago. The fact that toll will no longer have to be paid is a matter of general rejoicing. A pub-

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him? It is every bit as foolish to try to get rid of dandruff and to prevent baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Vigors.

Newbro's Herpicide is successful because it attacks and kills the parasite germ which feeds on the hair roots. It is the original and only genuine scalp germicide manufactured.

Sold by leading druggists. Send 10c. to stamps for sample to The Herpicide Co., Detroit, Mich.

Boy Shot a Loon.

Charles Blean, 15 years old, while out hunting near Bennington pond Monday afternoon, shot a handsome specimen of a loon, a bird seldom seen in that section. It is of fine color and from tip to tip of the wings it measures four feet, eight inches. The bird is of vicious disposition, and although its wing was broken, it put up a hard fight before it could be secured.

PEOPLE ARE STARVING.

Cayman Island Desolated by a Terrifying Storm.

Mobile, Ala., Nov. 3.—News received here from Georgetown, Grand Cayman, says that the recent storm that passed over Cayman island is regarded as the worst ever known. The arrival of H. M. S. Pelonis at Georgetown brought news for the first time in a month.

The greatest poverty and distress is prevailing. There is not in the whole island today a pound of foodstuff to be had. There are hundreds who are hungry.

The steamer Ben Chide is ashore on East End reef with a hole in her bottom. Wrecks of several vessels are strewn along the reefs.

WOMAN TO BE CONSTABLE.

Mother of Twelve Children, Who Knows How to Use a Gun.

Hugo, Colo., Nov. 3.—Handy with a gun and the mother of twelve children, Mrs. Johanna Brown is sure of being elected constable of Hugo. On her first actions will be to enforce the Sunday closing law, although saloons have been open here for years. The cowboys are all enthusiastic for Mrs. Brown, who was nominated by Republicans and endorsed by Democrats. There is no other candidate in the field.

"Of course I shall seek arrests if occasion requires," said Mrs. Brown. "Some of us fellows will come to town just for the honor of being arrested by a woman constable," said Abe Tikes, a cowboy.
